unit, as shift lead

PROFILE

ICU registered nurse with eight years in adult critical care, including three as shift lead in a 20-bed unit. NMC-registered with IELTS 8.0, experienced in ventilated, post-cardiac and multi-organ-failure patients, and a trained preceptor for new ICU staff.

EXPERIENCE

Shift Lead, Intensive Care Unit

2022 – Present

Private tertiary hospital · Colombo

- Lead a team of eight nurses per shift in a 20-bed adult ICU with a 1:1 ventilated-patient ratio.
- Introduced a sepsis-bundle checklist that raised one-hour antibiotic compliance from 64% to 93%.
- Preceptor for 14 newly qualified nurses; all completed ICU competencies on schedule.

Staff Nurse, Intensive Care

2018 – 2022

National teaching hospital · Colombo

- Cared for ventilated, post-cardiac-surgery and CRRT patients in a 32-bed unit.
- Member of the rapid response team, attending 300+ ward deteriorations.
- Co-authored the unit's pressure-injury prevention protocol, halving incidence in a year.

Staff Nurse, Medical Ward

2016 – 2018

District general hospital · Gampaha

- Delivered general medical nursing on a 40-bed ward, including diabetes and cardiac care.

QUALITY IMPROVEMENT

Sepsis-bundle checklist — Designed and rolled out across two ICUs; one-hour antibiotic compliance rose from 64% to 93%.

Pressure-injury prevention protocol — Co-authored with the tissue-viability team; unit incidence halved within twelve months.
