PROFILE

Chartered Accountant with nine years across Big Four audit and industry. Currently leading a five-person team in a manufacturing group with LKR 4bn turnover, where I cut the month-end close from twelve working days to five and took the group through two clean audits under SLFRS.

EXPERIENCE

Senior Accountant

Mar 2022 – Present

Manufacturing group · Colombo

- Reduced month-end close from 12 to 5 working days by redesigning the close calendar and automating 14 recurring journals.
- Led the LKAS 16 revaluation of a LKR 1.2bn asset base with no audit adjustments.
- Released LKR 140m of trapped working capital through a debtor-ageing review and revised credit terms.
- Manage and develop a team of five; two promoted within eighteen months.

Assistant Manager, Audit

Jan 2019 – Feb 2022

Big Four audit firm · Colombo

- Ran fieldwork on eleven listed and private clients across manufacturing, retail and plantations.
- Identified a LKR 38m revenue-recognition error at a listed client before sign-off.
- Built the firm's SLFRS 16 lease-calculation template, later adopted across the practice.

Audit Senior / Associate

Jan 2016 – Dec 2018

Big Four audit firm · Colombo

- Audited revenue, inventory and fixed-asset cycles for clients with turnover up to LKR 20bn.
- Coached six trainee associates through their first busy season.
