

Dilan Wickramasinghe

CHARTERED CIVIL ENGINEER · C.ENG, MIESL

Colombo, Sri Lanka · +94 77 000 0000 · dilan@example.lk · linkedin.com/in/example

PROFILE

Chartered civil engineer with twelve years on commercial, residential and highway projects. Most recently site lead on a LKR 2.8bn mixed-use development delivered two months ahead of programme, with a safety record of 1.2 million hours without a lost-time injury.

EXPERIENCE

Site Lead Engineer

2021 – Present

Tier-one contractor · Colombo

- Lead a 40-person site team on a LKR 2.8bn, 22-storey mixed-use development, two months ahead of programme.
- Redesigned the piling approach after ground surveys, saving LKR 94m against the tendered method.
- Achieved 1.2 million hours without a lost-time injury through daily risk briefings and permit discipline.

Project Engineer

2017 – 2021

Highway consultancy · Southern Province

- Supervised 18 km of expressway earthworks and drainage under FIDIC conditions.
- Managed variation claims worth LKR 310m, resolving all without dispute.
- Introduced drone surveys, cutting monthly progress-measurement time by 60%.

Graduate / Site Engineer

2013 – 2017

Building contractor · Kandy

- Setting out, quality control and subcontractor coordination on four residential and school projects.

KEY PROJECTS
